

Richmond Community College

Job Description

Position Title: Director of K-12 Partnerships

General Description: The Director of K-12 Partnerships, under the authority and direction of the Vice President for Instruction, will be the primary point of contact with Richmond and Scotland County Schools. This position is responsible for coordinating and developing effective partnerships between Richmond Community College (RCC) and potential K-12 partners to build a pathway for students to complete post-secondary credentials that will lead to further education and careers. This coordination includes the Richmond Early College High School, the Scotland Early College High School, Career and College Promise Programs (CCP) and other initiatives in partnership with Richmond County Schools, Scotland County Schools and other entities.

Duties and Responsibilities of the Position:

1. Serve as Director of the Career and College Promise and the Early College High School Programs of RCC in cooperation with Richmond and Scotland County schools.
2. Serve as primary RCC contact for Richmond and Scotland County Schools.
3. Enhance communications and cultivate partnerships between RCC and Richmond and Scotland County Schools and other entities.
4. Develop processes, policies and procedures to manage all Career and College Promise activities, including the College Transfer Pathways and the Career and Technical Education Pathways.
5. Coordinate with the Director of Marketing and Outreach to plan and implement a comprehensive outreach program directed at K-12 students and partners to include working with appropriate school personnel to arrange regular visits to all service area high schools.
6. Work with appropriate college faculty and staff to develop opportunities to increase the success of K-12 partnerships.
7. Develop and leverage collaborative processes and relationships among CCP programs including course requests and scheduling, student registration, and student support services.
8. Partner with Richmond County Schools, Scotland County Schools and other entities to help develop strong relationships between secondary school and RCC programs.
9. Develop and implement innovative approaches for building college and career pathways for students in partnership with Richmond County Schools, Scotland County Schools and other entities.
10. Participate in the required testing of students in accordance with RCC Admissions policies and course pre-requisites.
11. Lead, support and evaluate the Early College High School Liaisons.
12. Develop and implement policies and procedures that comply with NCCCS audit requirements, rules, and regulations.
13. Complete other duties as assigned by the Vice President for Instruction.

Position Qualifications:

Knowledge, Skills and Abilities:

1. Must be able to work independently with minimal supervision. Must demonstrate effective oral, written, and presentation skills and deal effectively with RCC staff and the public. Must understand and be able to articulate the community college mission.

Minimum Education and Experience:

1. Master's degree with 18 hours in an academic discipline required. Prior teaching experience required, preferably in a community college.

Basis for knowledge of job: ☐ hold job now; ☐ supervise job; ☐ other (explain)

Exposure Determination for Bloodborne Pathogens

All position descriptions, including administrative and support personnel, whether paid or volunteer, must be evaluated by the appropriate department chairman/head and a Risk of Exposure to Bloodborne Pathogens Classification I or II be assigned to the position as it applies to each employee's work location. In situations where jobs of the same title entail substantially different categories of risk based on the department to which assigned, job titles will be modified to include the unit name thereby creating a newer, more specific description for that position.

For jobs which fall into Classification II, a list of tasks or procedures which present an occupational exposure to those employees should be prepared and appended to the job description. Assignment of personnel to a new department in the same basic job may necessitate a formal change of job title to ensure that they will receive training according to that job's risk classification. This must be reviewed on an annual basis by department managers for all job titles which they supervise or manage.

_____ CLASSIFICATION I

This includes jobs in which required tasks routinely involve a potential for mucous membrane or skin contact with blood, body fluids, tissues or potential spills or splashes. Use of appropriate measures is required for every employee performing these tasks.

_____ CLASSIFICATION II

This includes jobs in which required tasks normally do not involve exposure to blood, body fluids or tissues, but may require performing unplanned Classification I tasks. In these jobs the normal work performance involves no exposure to blood, body fluids or tissues. However, exposure or potential exposure may be required as a condition of employment or class performance.

_____ PERSONNEL NOT COVERED BY THE STANDARD

This includes jobs in which required tasks involve no greater exposure to blood, body fluids, or tissues that would be encountered by a visitor. The normal work/class performance involves no exposure to blood, body fluids, or tissues that would be encountered by a visitor. The normal work/class performance involves no exposure to blood, body fluids, or tissues and the employee can decline to perform tasks which involve a perceived risk without retribution.

NOTE: All employees who do not fit into Classification I or II will fall into a third category not covered by the Standard.
