

Richmond Community College

Job Description

Position Title: Richmond Community College Career Planner

General Description: Under the supervision of the Director of K-12 Partnerships and the general supervision of the Vice President for Instruction, the primary purpose of the Career Planner is to assist high school students with determining career goals and opportunities identifying college programs that enable students to achieve those goals.

Duties and Responsibilities of the Position:

1. Develops and implements programs and services that provide support, engagement and guidance to help high school students define career interests and explore career and educational opportunities.
2. Meets one-on-one with students and families to discuss academic and career goals and develops pathways and monitors student progress toward goal achievement.
3. Administer career assessments and provide career planning to students through individual appointments, classroom presentations, and other activities.
4. Provides Richmond County students and their families with information and support regarding college admissions, Career & College Promise Pathways and financial aid.
5. Collaborates with the Director of K-12 Department to design and coordinate a variety of events, programs and presentations for the purpose of supporting a smooth transition of students from middle school and Ninth Grade Academy to high school and from high school to post-secondary opportunities (college, employment, military training, etc.).
6. Participates in meetings, workshops, and committees (community organizations, advisory committees, etc.) for the purpose of conveying and/or gathering information required to perform job functions and remaining knowledgeable of career opportunities and program requirements.
7. Collaborates with the Director of K-12 Partnerships to jointly represent RSHS and RichmondCC.
8. Participates in professional development opportunities as appropriate for the position to achieve program outcomes and goals.
9. Complete other duties as assigned by the Vice President for Instruction and the Director of K-12 Partnerships.

Position Qualifications:

Knowledge, Skills and Abilities:

Strong problem solving skills. Ability to effectively communicate both verbally and in writing. Ability to work collaboratively with college and high school personnel. Ability to work effectively as a member of a team and with minimal supervision. Ability to relate to a diverse population. Ability to handle multiple demands.

Minimum Education and Experience:

Bachelor's degree required. Proficiency in computer applications. Community College experience preferred. Experience in Human Resource Management, Job Counseling or Labor Market Demands preferred.

Salary Grade:

Location: Richmond Senior High School

Questionnaire for Compliance with Americans with Disabilities Act

Interview guide for collecting job analysis information

5C. Make notes on the specific job duties that are affected by the environmental conditions selected above.

Working on a hallway with students constantly passing by. Many of which stop in the office.

6. Comments. Include any other information that will aid in the preparation of an accurate description of this job.

7. Questionnaire prepared by:

Name: Kary Edmondson_____ Date: 3-19-19

Title: Director of K-12 Partnerships

Basis for knowledge of job: ☐ hold job now; ☒ supervise job; ☐ other (explain)

Exposure Determination for Bloodborne Pathogens

All position descriptions, including administrative and support personnel, whether paid or volunteer, must be evaluated by the appropriate department chairman/head and a Risk of Exposure to Bloodborne Pathogens Classification I or II be assigned to the position as it applies to each employee's work location. In situations where jobs of the same title entail substantially different categories of risk based on the department to which assigned, job titles will be modified to include the unit name thereby creating a newer, more specific description for that position.

For jobs which fall into Classification II, a list of tasks or procedures which present an occupational exposure to those employees should be prepared and appended to the job description. Assignment of personnel to a new department in the same basic job may necessitate a formal change of job title to ensure that they will receive training according to that job's risk classification. This must be reviewed on an annual basis by department managers for all job titles which they supervise or manage.

___ CLASSIFICATION I

This includes jobs in which required tasks routinely involve a potential for mucous membrane or skin contact with blood, body fluids, tissues or potential spills or splashes. Use of appropriate measures is required for every employee performing these tasks.

__X__ CLASSIFICATION II

This includes jobs in which required tasks normally do not involve exposure to blood, body fluids or tissues, but may require performing unplanned Classification I tasks. In these jobs the normal work performance involves no exposure to blood, body fluids or tissues. However, exposure or potential exposure may be required as a condition of employment or class performance.

___ PERSONNEL NOT COVERED BY THE STANDARD

This includes jobs in which required tasks involve no greater exposure to blood, body fluids, or tissues that would be encountered by a visitor. The normal work/class performance involves no exposure to blood, body fluids, or tissues that would be encountered by a visitor. The normal work/class performance involves no exposure to blood, body fluids, or tissues and the employee can decline to perform tasks which involve a perceived risk without retribution.

NOTE: All employees who do not fit into Classification I or II will fall into a third category not covered by the Standard.
