

# **Richmond Community College**

## **Job Description**

### **Position Title: Human Resources Technician**

**General Description:** Under the direction of the Director of Human Resources, the Human Resources Technician will perform a full range of duties within the areas of confidential and complex technical and administrative duties; maintenance of personnel records; supporting the recruitment process, filing and preparation of related correspondence and reports; and, providing information and assistance in person and on the telephone to College employees and the public regarding personnel matters. Serve as back-up in the absence of the HR Director.

### **Essential Duties of the Position:**

1. Provide support for the Director of Human Resources in all areas.
2. Key all new hires into E-Verify and maintain all I-9's including retention and purging. Report new hires to the State of NC. Process background checks on all new hires and communicate results to the HR Director.
3. Maintain organizational charts.
4. Maintain job descriptions for all full-time positions.
5. Assist employees with open enrollment and serve as liaison to arrange benefit representative visits during open enrollment.
6. Assist with enrolling new employees in benefits and processing benefit changes. Maintain an adequate supply of employee benefit resource material. Reconcile benefit payments and process in a timely manner.
7. Create new employee files and file documents into appropriate employee files.
8. Responsible for ensuring all employees have official transcripts and verifications on file and provide a copy to the appropriate person.
9. Complete required federal and state surveys as needed.
10. Assist with preparation and completion of New Employee Orientation.
11. Process employment verification forms/requests on current and past employees.
12. Manage employment listings and vacancies including creating requisitions, advertising, and posting positions on internal and external websites. Follow the process through an online applicant tracking system (ATS), monitoring qualified applicants, answering any questions from applicants, and communicating the progress of the hiring process to the HR Director.
13. Attend and monitor interviews when needed.
14. Other duties. (Willingness to accept and fulfill additional assignments.)

### **Position Qualifications:**

#### **Knowledge, Skills and Abilities:**

Understanding of and commitment to the unique nature and role of the institution with special reference to the total fulfillment of the open door policy. Ability to work independently with a high degree of accuracy, attention to detail and deadlines. Ability to communicate effectively both verbally and in writing with employees, the general public, and students. Demonstrated ability to handle confidential information with absolute discretion.

**Minimum Education and Experience:**

Associate's degree in business administration or related field. Three years of experience in Human Resources with a strong focus on employment, benefits administration, HRIS management such as Colleague and NeoGov preferred, employee relations, and training preferred. Knowledge and understanding of Public Sector law, state and federal employment laws, and regulations and HR principles. Excellent customer service skills. Demonstrated knowledge of Microsoft Office is required.

**Salary Level:** Salary Level 7

**Location:** Main Campus

## 5. Work Environment:

**5A.** How much exposure to the following environmental conditions does this job require? Show the amount of time by checking the appropriate boxes below.

Amount of Time

None                      Up to  $\frac{1}{3}$                        $\frac{1}{3}$  to  $\frac{2}{3}$  and more

Wet, humid conditions (non-  
weather) Work near moving

mechanical parts Work in high,  
precarious places Fumes or  
airborne particles Toxic or  
caustic chemicals Outdoor  
weather conditions Extreme  
cold (non-weather) Extreme  
heat (non-weather) Risk of  
electrical shock Work with  
explosives Risk of radiation  
Vibration

5B How much noise is typical for the work environment of this job? Check the appropriate level below.

- ☒ Very quiet (Examples: forest trail, isolation booth for hearing test)  
☒ Quiet (Examples: library, private office)  
☐ Moderate Noise (Examples: Business office with typewriters and/or computer printers, light traffic)  
☐ Loud noise (Examples: metal can manufacturing, department, large earth-moving equipment)  
Very loud noise (Examples: jack hammer work, front row at rock concert)

5C Make notes on the specific job duties that are affected by the environmental conditions selected above.

**6. Comments.** Include any other information that will aid in the preparation of an accurate description of this job.

**7. Questionnaire prepared by:**

Name: \_\_\_\_\_ Date: \_\_\_\_\_

Title: \_\_\_\_\_

Basis for knowledge of job:      hold job now;      supervise job;      other (explain)

## **Exposure Determination for Bloodborne Pathogens**

All position descriptions, including administrative and support personnel, whether paid or volunteer, must be evaluated by the appropriate department chairman/head and a Risk of Exposure to Bloodborne Pathogens Classification I or II be assigned to the position as it applies to each employee's work location. In situations where jobs of the same title entail substantially different categories of risk based on the department to which assigned, job titles will be modified to include the unit name thereby creating a newer, more specific description for that position.

For jobs which fall into Classification II, a list of tasks or procedures which present an occupational exposure to those employees should be prepared and appended to the job description. Assignment of personnel to a new department in the same basic job may necessitate a formal change of job title to ensure that they will receive training according to that job's risk classification. This must be reviewed on an annual basis by department managers for all job titles which they supervise or manage.

### **\_\_\_\_\_ CLASSIFICATION I**

This includes jobs in which required tasks routinely involve a potential for mucous membrane or skin contact with blood, body fluids, tissues or potential spills or splashes. Use of appropriate measures is required for every employee performing these tasks.

### **\_\_\_\_\_ CLASSIFICATION II**

This includes jobs in which required tasks normally do not involve exposure to blood, body fluids or tissues, but may require performing unplanned Classification I tasks. In these jobs the normal work performance involves no exposure to blood, body fluids or tissues. However, exposure or potential exposure may be required as a condition of employment or class performance.

### **\_\_\_\_\_ PERSONNEL NOT COVERED BY THE STANDARD**

This includes jobs in which required tasks involve no greater exposure to blood, body fluids, or tissues that would be encountered by a visitor. The normal work/class performance involves no exposure to blood, body fluids, or tissues that would be encountered by a visitor. The normal work/class performance involves no exposure to blood, body fluids, or tissues and the employee can decline to perform tasks which involve a perceived risk without retribution.

NOTE: All employees who do not fit into Classification I or II will fall into a third category not covered by the Standard.
